A NOTE FROM THE PRESIDENT

Greetings to the membership of the Auxiliary of to the AVMA from your current Board President and Board of Directors. The Auxiliary, whose mission is - *to assist the advancement of the science and art of veterinary medicine, and to strengthen communication among those associated with the veterinary profession* - celebrated its 100th Birthday in 2017! A true landmark in this day and age. The profession of veterinary medicine has seen many changes, as has the Auxiliary, in our 100 plus years. It is the goal of the Auxiliary to move forward and adapt to continue to fulfill our mission statement to remain relevant as an organization. In the tradition, we carry on... It is exciting to be in Denver for the annual membership meeting of the Auxiliary to the American Veterinary Medical Association. We do hope that you can join us for the annual meeting Saturday July 15 at the Hyatt Regency and Sunday, July 16 for dinner in lieu of the luncheon. Good things are happening in Kritters Korner, which is our major fundraiser. Please find a few hours to volunteer at Kritters Korner. We are looking forward to seeing you there.
